1. You do not need more than one Medicare Supplement policy.
2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need more than one type of coverage in addition to your Medicare benefits.
3. You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
4. If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility.*
5. If you are eligible for, and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. 7. Under Illinois Senate Bill 147, if you are between the ages of 65 and 75 and have enrolled in a Medicare Supplement policy, you are entitled to an annual open enrollment period lasting 45 days starting with your birthday. During this time, you will be able to purchase a BCBSIL Medicare Supplement policy that offers benefits equal to or lesser than those provided by your previous coverage. This policy cannot be denied or conditioned, nor discriminate in the pricing of coverage because of health status, claims experience, receipt of health care, or a medical condition of the individual. Purchasing a new Medicare Supplement policy will require reapplying within the 45 day window.
* If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
